To Whom It May Concern:

As Mayor of the Halifax Regional Municipality, I am pleased to confirm my endorsement of National Family Dinner night taking place across the country on September 17, 2009.

I can certainly appreciate that time spent together as a family is of the essence especially with today's hectic family schedules, with many working parents and children's various after school activities, time spent together over dinner is an uncommon occurrence. I know that it is important to take time from the fast pace of everyday, rekindle family ties, open lines of communication, and celebrate our family values.

In the best interest of families across the Halifax Regional Municipality I encourage you, if at all possible, to join other families from across the country, on September 17, 2009 to sit down and enjoy the company of each other over dinner.

Respectfully, I remain

Peter Kelly
Mayor
