National Family Dinner Night

Thank you for your letter of July 16, 2009, requesting a letter of support for National Family Dinner Night.

I believe the concept of families celebrating together is a very worthwhile initiative, and I would like to offer support and encouragement for families everywhere to come together at mealtime. This generates unity and cohesiveness within the family unit, which in turn, promotes healthy relationships that last a lifetime.

As Mayor of Brandon, I wish to convey my support of this endeavor to bring families closer by participating in a meal together.

Yours sincerely,

Dave Burgess
Mayor
