

A MESSAGE FROM MAYOR DAVE BRONCONNIER

On behalf of City Council and the people of Calgary, I am pleased to acknowledge M&M Meat Shops Annual National Family Dinner Night on September 17th, 2009.

In its fifth year, this program has gained tremendous charitable support, raising over 16 million dollars for the Crohn's and Colitis Foundation of Canada (CCFC) during the 20 year partnership with M&M Meat Shops.

Calgary's families are strengthened by time spent together. National Family Dinner Night provides an opportunity for families coast-to-coast to gather, communicate, build ties and share a meal.

Thank you for your support of what really matters most – gathering with family and friends. Family experts and researchers indicate the time families spend together has great value, a positive impact and does much to promote harmony within the community at large, and I thank you for building family memories through this community-based initiative.

I would like to thank M&M Meat Shops on their dedication to the community and bringing families together. Best wishes for success in your continued support of family activities.
