August 2009

To Whom It May Concern:

On behalf of Langley City Council, I am delighted to provide this letter in support of the fifth annual M&M Meat Shops National Family Dinner Night.

In today's fast paced society, taking time to share dinner with the family becomes more meaningful than ever. We appreciate that M&M Meat Shops recognizes the importance of family and, as such, successfully launched the National Family Dinner Night five years ago. We also applaud the fact that in so doing, M&M, in their partnership with the Crohn's and Colitis Foundation of Canada, has raised significant funds for this cause.

Family dinners are a time to talk, laugh, share old memories and create new ones. Enjoying dinner with my family has provided many positive memories for all of us and I believe has contributed to our sense of well being. It has been the place where we are able to share our needs and solidify the bond that is so critical for the future!

I commend M&M Meat Shops for their continued efforts in raising awareness and funds for the Crohn's and Colitis Foundation of Canada. I encourage families throughout our community and across Canada to register their participation in this special evening and to enjoy precious time with your family over dinner on September 17<sup>th</sup>.

Yours truly,  
City of Langley
