To Whom It May Concern:

I am pleased to provide this letter in support of M&M Meat Shops “National Family Dinner Night”.

With today’s busy lifestyle, this community-based initiative is a wonderful opportunity to help bring families together. Being Mayor of the City of Belleville and having an active family, I know first hand how difficult it is to “schedule” dinner together. However, we make the effort and the benefits are incredible. I grew up in a large family and I have fond memories of our family meals as it gave us the opportunity to catch up on the days’ events and connect with each other.

I believe that M&M’s “National Family Dinner Night” fundraising initiative is a worthwhile cause. I hope that our community will get involved and reap the many benefits of time spent together as a family.

Yours truly,

Neil R. Ellis
Mayor
