LETTER OF SUPPORT – NATIONAL FAMILY DINNER NIGHT

The concept of families celebrating together is a very worthwhile initiative. I would like to offer support and encouragement for family members everywhere to come together at mealtime. This generates unity and cohesiveness within the family unit, which in turn, promotes healthy relationships that last a lifetime.

M&M Meat Shops across Canada are to be commended for their initiative to encourage families to use this opportunity to share time and food together. At the same time, M&M's generosity in donating \$1 to the Crohn's and Colitis Foundation of Canada for every person who registers their participation in National Family Dinner Night, is a great incentive to support this worthy cause. It is hoped that communities everywhere will benefit from this venture.

As Mayor of Brandon, I wish to convey my support of this endeavor to participate in "National Family Dinner Night".

Yours sincerely,

Dave Burgess
Mayor
