

THE CITY OF
HAMILTON
OFFICE OF THE MAYOR

On behalf of the City of Hamilton, it is with great pleasure that I lend support to the 6th Annual **National Family Dinner Night**, taking place September 16, 2010, hosted by M&M Meat Shops.

During their longstanding partnership, M & M Meat Shops and the Crohn's and Colitis Foundation have gained tremendous moral and charitable support from the community as well as from community leaders across Canada. Four years ago, M & M's embarked on the **National Family Dinner Night**, in efforts to raise much needed funds to battle inflammatory bowel disease. The proceeds from this project are generously donated to the Crohn's and Colitis Foundation of Canada.

I would encourage you to participate in **National Family Dinner Night**, taking the time to share with loved ones, truly appreciating the value of family and friends. May we keep in mind those less fortunate and may we work together, in the spirit of this community, to educate, support, and establish important resources to combat this most crippling disease.

Sincerely,

Fred Eisenberger
Mayor
