

Message from the Premier

As Premier of Newfoundland and Labrador, I would like to take this opportunity to express my support for M&M Meat Shop's 6th Annual National Family Dinner Night on September 16, 2010.

Modern families juggle extremely busy schedules which often makes it difficult to find the time to sit down and enjoy a quiet family dinner together. I believe it is very important for families to set aside time to share meals together, as there is nothing more important than family.

M&M Meat Shops are to be applauded for their National Family Dinner Night initiative. Not only does this initiative encourage families to spend valuable time together, it also helps to raise money for an important cause, the Crohn's and Colitis Foundation of Canada.

I encourage all families to participate in this year's National Family Dinner Night, and I hope you all enjoy fun-filled evening meals with your families. Best wishes to M&M Meat Shops for a successful National Family Dinner Night.

Sincerely,

DANNY WILLIAMS, Q.C.
Premier of Newfoundland and Labrador
