

OFFICE OF THE MAYOR

BOB BRATINA
MAYOR OF HAMILTON

On behalf of the City of Hamilton, it gives me great pleasure to recognize and encourage all the families and friends participating in this year's Seventh Annual M&M Meat Shops National Family Dinner Night.

I would also like to thank the many participants and volunteers of M&M Meat Shops working to raise awareness and financial support for the Crohn's and Colitis Foundation of Canada.

Dinner is an opportunity for families to spend valuable time together to create strong, long-lasting relationships. From strong families come strong communities, and that is what makes the National Family Dinner Night such a remarkable event.

Congratulations to M&M Meat Shops for continuing this wonderful event that benefits everyone involved. Please accept our best wishes for a successful Family Dinner Night.

Sincerely,

Bob Bratina
